## Check Scanner Cleaning Card

### *Pouch Front*

#### Dirty Check Scanners Reduce Image Readability

A consistent preventive maintenance program involving the use of this cleaning card increases the quality of digital check images.

#### Features & Benefits:

- Cleans without equipment dismantling
- Easy to use
- Disposable

### *Pouch Back*

#### Check Scanner Cleaning Card (4.375 x 8)

#### Usage:

- Once per day in high use areas
- Once per week in low use areas

#### Directions:

- Carefully remove Check Scanner Cleaning Card from pouch
- To clean the magnetic head and lens plates, insert cleaning card into hopper as you would a standard check, then choose scan cycle and allow card to pass through the scanner. Reuse the card by flipping card top to bottom and repeating the process several more times.
- To clean the drive rollers, choose scan cycle while holding onto the trailing end of the card
- Dispose of card properly in waste receptacle
